NOMINATING people for Awards is not something you do every day. And getting started can be the hardest part. These are suggestions only! Some of them may help you get your thoughts onto paper.

1) Is this for an original achievement such as a piece of work or event or activity?
2) Are the nominees wholly or substantially responsible for the resulting achievement?
3) Briefly explain how the nominee's achievement contributes to the cultural life and/or Heritage Preservation/Education in the City of Summerside and area?
4) How does the achievement set an example for others who may be active in a similar field?
5) What is it about the achievement that tells you it is very good quality work?
6) Provide as much evidence as you can to back up your nomination.
7) If you have questions about any of this or the process please contact us at 902-432-1332.
